

Lattice Materials, LLC will be holding a Job Fair in the lobby of the Bozeman Job Service on June 1, 2011 from 9am-1pm. They will be seeking applicants to fill their full time Production Operator position. The individual they are looking for will be an experienced machinist with the ability to operate high precision grinding equipment applying machining knowledge, techniques, procedures, and shop mathematics to complete the task. The best candidate would also possess:

- Mechanical aptitude
- Machine shop experience
- Basic math skills with an understanding of dimensions and tolerances
- Strong attention to detail.
- Experience in lean manufacturing a plus.

If you are interested in this position, be at Bozeman Job Service on June 1st between 9:00 a.m. and 1:00 p.m. to visit with Lattice's hiring authority.
